**PIPE DOPE • MOLY-DISULFIDE**  
**ANTI-SEIZE LUBE**

This convenient hand cleaner/towel combination eliminates the need for water and towels. The hand cleaner formula removes grease, tar, ink, paint and many other hard to remove soils. It conditions hands with glycerin, aloe vera, jojoba, vitamin E and wheat germ extract and contains an antiseptic agent. It is solvent free and VOC free. In addition to hands, clean up spills, drips and splatters from most all non-porous surfaces like tools, equipment and more. The heavy-duty towel absorbs soils from your hands and other surfaces and keeps them suspended for easy removal. (U.S. patent no. 4,775,582).
